(Number cards were included 1-10 please help to cut out for your child).

How to do a peacekeeper meeting

Peacekeeper Meeting

Sit in a circle. Encourage all to share something peaceful they did that day. Ex. I helped my mom to empty the dishwasher etc. Acknowledging how wonderful that is (From the adult)

Adult must also observe during the day helpful and caring things child has done and verbalise

I just love how you helped your brother do…….

You were a wonderful peacekeeper when you did……..

Thank you for caring I love how you put your plate in the dishwasher

It is also ok to say I had a hard time with doing something but when you came over and made me laugh or gave me a hug you made my day.

Hope this helps. Parents can also role play
