Spanish

We count in Spanish every morning and have made it to 60 already. Our goal was 100 by the end of the year. The link I have provided has the numbers listed and a recording you can listen to so you can pronounce easier.
(Number cards included 1-10 please help to cut out for your child).

https://www.spanishdict.com/guide/numbers-in-spanish-0-100

We have also practiced our colors and how to say “I like the color red” or “My favorite color is….”. This link has these phrases listed and also a recording of each phrase.
(Pictures of colors, numbers and animals included in bag)

How to do a peacekeeper meeting
Peacekeeper Meeting
Sit in a circle. Encourage all to share something peaceful they did that day. Ex. I helped my mom to empty the dishwasher etc. Acknowledging how wonderful that is (From the adult)

Adult must also observe during the day helpful and caring things child has done and verbalise

I just love how you helped your brother do…….
You were a wonderful peacekeeper when you did……..
Thank you for caring I love how you put your plate in the dishwasher
It is also ok to say I had a hard time with eg doing something but when you came over and made me laugh or gave me a hug you made my day.

Hope this helps. Parents can also role play

Science

Materials Needed
Materials for suncatcher- need some small jewels to put in suncatcher & contact paper
Print out animals and add sticks
Foam letters

Catapult instructions:
Use popsicle sticks to create a base.
Rubber band 4 sticks together

Put the other two on either side perpendicular to the other sticks and rubber band them on. Attach the spoon to the 2 sticks.

Water Well Instructions:
Use a large container like a coffee can.
Place the toilet paper tube in the middle.
Fill in with dirt or pebbles around the outside of the tube.
Pour water over the pebbles and watch the tube fill up.

Week 3 and 4 Art Projects:

1) **Foam letter name tree**

Spell your name with the foam letters in the tree.

2) **Cupcake paper FLowers**

Color the cupcake paper. Then glue the paper onto a popsicle stick and show off your homemade spring flowers.

3) **Truffle Trees**

Glue on pieces of tissue paper onto the plate. Add the stick to the back to make the trunk of your tree.

4) **Rainbow Collage**

Glue on the colors of the rainbow. Color order is Red, Orange, Yellow, Green, Blue, Purple.

5) **Cupcake Paper Octopus**

Glue on the strips of paper to the wrapper. How many legs does your Octopus have? Glue on googly eyes.

6) **Ladybug**

Tag the wings to the black body of the ladybug. Glue the black dot on the wings and add the eyes.

7) **Robot Creation**

Glue the parts together to create your own robot. Add arms, legs, eyes.

8) **Peacock**

Add feathers to the tail of the peacock. Add eyes and beaks to the face of the peacock bird.

9) **Handprint Monsters**

Trace your hand on a paper. Add eyes, mouth, nose, ears, and any other feature you would like to your monster.

10) **Nature walk collection and creation**

Take a walk around your yard and collect items to make a picture of yourself or of a family member.
